A FEW COMMON QUESTIONS AND ANSWERS ABOUT YOUR CONVENIENT PAYMENT AND BILLING OPTIONS.

What are the benefits of paying online?

The benefits include:

- Saving you time and money! No stamps to purchase or lines to wait in.
- Easy online account access 24 hours a day, 7 days a week.
- Faster posting to your account.
- Added confidentiality and security of your information.

Why is Ranken Technical College no longer using paper?

To save you time, money and to cut down on excessive paper use, Ranken Technical College is now offering electronic payment and billing services. Through online billing and payment, Ranken Technical College also aims to provide more convenience to students and authorized payers; and to reduce our negative impact on the environment.

Can I continue to receive a paper bill?

To increased efficiency and save you time, all currently enrolled students will receive electronic bills only at this time. However, you may obtain printed bills by accessing your account online and simply printing out the electronic bill from any computer with internet and printer access.

I don't feel comfortable paying my bill online. Are there other options?

Yes. Paying your bill electronically is 100% optional. However be aware that the electronic method is one of the most secure ways to pay because all your data is encrypted and securely stored. You may also pay by printing a copy of the bill from your account and mailing it with the payment to the appropriate campus office, or by simply delivering your payment in person.

Can others make a payment on my behalf?

Certainly. You'll always have the option to designate another party such as a parent or guardian to view and pay your bills. Your third party will simply need to set up authorization via the payment website. Once set up, your authorized user can then access the system directly to view your billing information and make payments.
